Mr. Wm. Bennett and son "Bud," and wife of Alpine, were American Fork visitors Sunday.

Mr. F. M. Snell Jr., of St. Anthony was in American Fork Wednesday and opened up an agency with Watt Storrs to induce some local farmers to locate in the Snake River Valley. St. Anthony last year produced over 20,000 acres of seed peas.

L. H. Jackson, who recently accepted a position at Saratoga Springs as manager of the bath house and dancing pavilion, was in American Fork Tuesday. Mr. Jackson reports a number of improvements at the Springs along up-to-date and sanitary lines.

Mrs. Fred Bradley of Bingham, spent several days here the past week visiting relatives. For many years Mrs. Bradley (then Miss Logie) had charge of the Logie House. Mrs. Bradley says there is no place like the old home town, but few realize this until they go away for a while. She returned to her Bingham home Wednesday.

Mr. Will Radden of the Park City Record, came down on the Interurban Sunday evening with his three little girls, who will spend several weeks on a vacation with their aunt, Mrs. "Bud" Bennett, in Fork Canyon, just above Alpine. Mr. Radden returned to the Park Tuesday morning. Like all other newspaper "slaves" he was compelled to "cut" his vacation short—about one day is the limit for most of us—then we are compelled to make up for lost time.

Quarantine Not Being Observed

A number of complaints have been lodged with this office during the week concerning the manner in which the quarantine for whooping cough is being observed. The complainants allege that there are a great many cases of whooping cough in the city; that some are quarantined, but that others are hiding the fact that the disease exists in their family; that all those who are officially quarantined are not observing the rules rigidly, to express it mildly; but on the contrary, are almost criminally lax in their observance; and that many mothers are practically prisoners in their own homes for fear of the contagion.

If this condition is really a fact, it is certainly one that should be remedied without delay. While we all realize that a quarantine is inconvenient and unpleasant; yet we cannot understand how anyone with a conscience can knowingly expose any child to a disease that might result in serious harm or even death. We would advise that each person interested take counsel of his own conscience with a willingness to obey its mandates; and also that the city's health officers do not cease their vigilance.

HOME ECONOMICS ASSOCIATION

MASS MEETING CALLED

There will be a mass meeting in the American Fork City Hall, Tuesday night, June 8th, to discuss the question of appropriately celebrating the Fourth of July. Every citizen is respectfully invited to attend.

EARL GREENWOOD, Mayor.

FAREWELL PARTY FOR HARRY LINDLEY

One of the most successful and enjoyable of the social events of the season was the party given Saturday evening by Miss Dorothy Chipman in honor of Harry Lindley, who left Wednesday of this week for San Francisco to take up a permanent residence there.

The beautiful home of the Chipman family was lavishly decorated with a profusion of roses, peonies and snowballs, carrying out the color scheme of pink and white. The evening was spent in progressive games, all so happily planned by the hostess that one pleasant event followed another with never a pause between.

Because of Mr. Lindley's connection with the famous Apollo basket ball team, the guest list included all of the team with their wives or sweethearts; and basket ball reminiscences gave an added touch to the evening's pleasure.

During the evening a luncheon was served that was perfect in all its appointments; and the evening closed wishing the guest of honor "God Speed," and all possible success in his new location.

The following were the guests: Misses Jane Dickerson, Rebe Parker, Myrta Wootton, Ruby Wootton, Irene Chipman, Rula Storrs, Jeanne Hindley, Cleo Sinclair and Ardell Harmon and Christa Anderson of Provo; Messrs Clyde Parker, Ralph Barratt, Vern McNeil, Jim Parker, Len Harrington, Harry Lindley, Jim Chipman, Clyde Chipman.
